

Yohko F. Yano

Ritsumeikan University
Chair Professor

【E-mail】 y-yano@fc.ritsumei.ac.jp

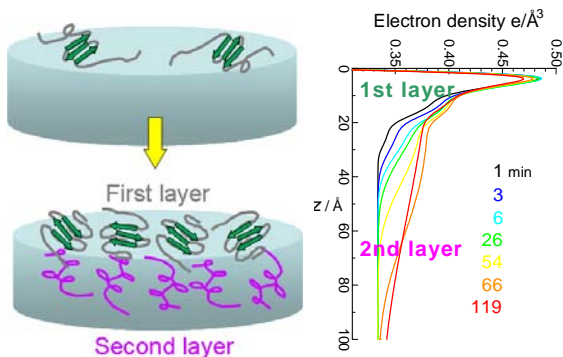

【Speciality】 X-ray structural analysis of liquid interfaces

【Keywords】 liquid interfaces, X-ray reflectivity, SAXS

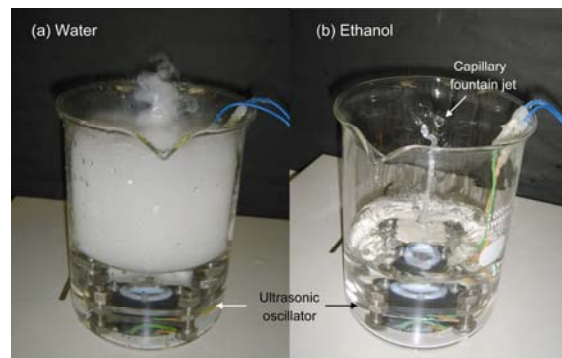

【Research Subject】 Protein interaction at interfaces studied by simultaneous analysis of X-ray specular and off-specular reflection

Research Group Activity

In-situ investigation of protein adsorption kinetics

Observation of nano-droplets in mist generated by ultrasonic atomization

Development of synchrotron x-ray methods for liquid interfaces
